Paper Towel Dispenser - Maxi

Paper Towel Dispensers offer the users of your washroom a quick, easy and hygienic option to dry their hands.

Our paper dispensers are best to have right next to the wash basins of any washroom environment.

Our Maxi Paper Towel Dispensers are ideally suited to applications where more paper toweling is used, or if you want to reduce the frequency of refilling your dispensers.

The "cut-safe" teeth at the base of the unit allow for "no mess - no fuss" access to the desired length of paper toweling.

The transparent head/cover of the unit makes it easy to monitor the amount of paper towel still available in the dispenser.
